Chinese Association for Renewable Energy
澳洲华人新能源协会

CARE

OUR MEMBERS & PARTNERS

Chinese Association for Renewable Energy, Inc. (CARE) was founded in 2015 and registered in NSW Fair Trading's Registry Services. The association is aiming to provide a professional platform that facilitates the communication and strengthen the links between all its members. It has now become an important network of all Australian Chinese industry practitioners, such as engineers, academics, and entrepreneurs.

Thank you to our major sponsor!
